HICCUPS

Other missionaries shared that paperwork and visas are a chore to obtain. Well, we encountered our first “hiccup.” After applying for our passports we received all of them except for Aria’s. Praise God we did get her birth certificate back, but no passport. Pray as we are now going through the process to have her passport reissued before we have to repay for it.

HUNGER FOR LOVE

Hunger for Love is a ministry that Dominique has had the opportunity to serve in during those periods we are not traveling. Multiple churches come together under a bridge to provide a hot, sit-down breakfast, sack lunches, clothes, blankets, etc. to the homeless in Tyler, TX.

Back in November, Dominique and another missionary wife met a young lady, Alexa, who admits to being a street fighter who mainly fights to obtain drugs. While talking to Alexa, not only did Dominique give her the coat she was wearing, but the other missionary wife gave her a Bible and they were able to share the love Christ has for her. Even though Alexa did not get saved that day she expressed her desire to want to attend church with Dominique.

Since November Dominique has continued to go back with the intention to share Christ with Alexa. We are asking you to pray with us that we will see Alexa come to know Christ before we leave for Italy.

FINANCIAL UPDATE

As you can see by the chart we have been at a standstill. We are told by veteran missionaries that this is common. You will have months you see no movement and months that your percent of support takes off. Regardless, God is still providing! We will continue to walk by faith and make our plans to move by Sept. 22, 2014.
