CAUGHT IN A STORM

As we were traveling from OK to TN, we decided to stop for the night in Vilonia, AR with one of our dear friends and ministry partners, First Baptist Church. That night a tornado leveled their town. Praise God we were not harmed, but please be in prayer with us for the people in Vilonia and their community.

PAST, PRESENT, FUTURE

Thank you to all of you who have been praying for us and have been supporting us. We have seen God move through your prayers. We have picked up another 5% in partnerships, and have raised over \$8k for our moving cost.

This summer we are focusing on two things. The first is securing the documentation that we need for our visas, which means securing our letter of invitation into Milan. This is perhaps the most important document that we will need. Pray that we can secure this invitation letter and the Italian government will accept our visa application the first time. The second thing we are focusing on is Scott's surgery. He is having surgery on his throat to remove tonsils, adenoids, and as the doctor put it "other stuff."

We had a goal of September to be in Italy, but with Scott's surgery and current support levels we are going to have to work through the fall to raise the necessary funds to support a church plant in Italy. However, we are planning a trip this winter to secure a location and an apartment in Milan.

PRAYER REQUEST

1. Prayer and financial Partnerships
2. Scott's surgery with speedy recovery
3. The documents that we need to secure a visa
4. God's guidance for future church plant
5. For First Baptist Church and Vilonia, AR as they recover from the tornado.
