MARK IT DOWN!

February 26, 2015! We have finally gotten close enough to our moving date, in April, that we were able to schedule our Visa Application appointment with the Houston Italian Consulate for February 26, 2015 at 9 a.m. Partner with us in prayer as we pray that all our documentation is in order, and that we will all be granted our visas the first time.

BUSY MONTH

God has continued to provide amazing churches for us to present the work He has called us to in Italy. We have travelled from CA to MI to TX to MS to FL! We have had churches who have committed to partnering with us financially, beginning in January, and several others who are prayerfully considering a partnership.

This month we have, also, continued contacting our supporting churches asking for their help in obtaining the funds to move our family to Italy in April. God has blessed us with supporting churches who have a heart for missions and want to reach Italy for Christ as much as we do, and have given generously to our moving expenses (as you can see by the chart to the right). If you are interested in being apart of helping us secure our moving expenses please contact Dominique at 903-574-5769.

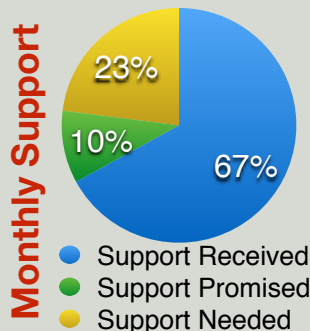

WHAT'S NEXT?

This next month we'll be continuing our travel in TN, KY, KS, NE, and MA with a short break for Christmas. We

will also continue to work on the documentation, plane tickets, and funds necessary to receive our visas in February. Things are moving and moving quick. Not to much longer before we will be in Italy.

PRAYER REQUEST

1. Getting Visa documentation in order, receive letter of invitation, and our application appointment
2. Monthly financial support, and moving costs
