## Update

1. Learning language with a tutor has greatly improved our ability to speak. We still have a long ways to go, but feel really good about our progress.

## Family News

**Praise:** We have the opportunity to purchase a vehicle from missionaries in Rome who are moving.

**Prayer Request:** Pray that we can get all the taxes, insurance, and documentation done before they move in May.

## Prayer Requests

1. Learning Language and Culture
2. Bible Study Series in our home
3. Michele's Salvation
4. Monika's Salvation
5. Marco's Salvation
6. Relationships with families in the girls' school

## Parenting/Marriage Bible Study

God is blessing! Not only have we had another **record attendance of 72 people** at the church this past Sunday, but we have had 7 families regularly attending the Parenting/

Record Attendance of 72!

Marriage Bible Study we

lead weekly in our home. The families that are attending are mixed not only in nationality but more importantly where they are at in their relationship with Christ. **The gospel is being presented to these families each week.** Join us in Engaging Italy by praying for these families to move either into a relationship with Christ or closer to Him.

## Relationship Building

God has been opening a multitude of doors to build relationships with the families at the Scoula Carducci, where our girls attend. We have been invited into many homes for kids "play dates", we have had several families over for meals, we've met parents for coffee, and Dominique recently was permitted to help with one of the field trips. **These opportunities have been great in allowing us to share why we have moved here, inviting them into the church, and to share Christ.** Please pray for us as we continue to build upon these relationships and for the hearts of each of these individuals to know Christ.
