Kimberly

Kimberly began coming to our church about a year ago, because she wanted her kids to be around English speakers. Her first week she told us she enjoyed the service but that she was a Buddhist. After practicing memory verses with her kids she would call Dominique and ask what those verses meant. Last month, Kimberly broke down and confided in Dominique that she's unsure what is true and is openly searching. Dominique challenged her to read through the book of John. **The following week she told us she had decided to throw out all of her Buddhist idols and that she is no longer a Buddhist!!!**

Prayer Requests

1. Kimberly's salvation
2. Contract Negotiations
3. Replacement of our Car

Il Spazio

The last time we wrote we asked you to pray for our church as we were going to have a 2 week trial at a theater to see if it would be a viable solution to meet the needs of our church. The 2 weeks went amazingly! Our kids were thrilled to have room they could move around in, and not have to sit on the floor or in each others laps. Our adults welcomed the fresh environment and really appreciated the clean bathrooms. However, at the end of the 2 weeks, the owner said the theater was booked every other Sunday until May. **We are now in the midst of negotiating a long term contract with the goal of having services in the theater by the first Sunday of May.**

We had 87 in attendance during those 2 weeks and have grown even more since then. The last 3 weeks, in our current location, we have had over 100 people, with a **high of 112!** Our need for a new space continues to grow. God is moving!

REPLACE the WAGON

Would you consider contributing to meet the need for a reliable car?

This winter has been hard on our 2001 station wagon. We have had to put it in the shop several times and there is still a constant problem with the electrical system, which is causing the car to not start and randomly shutting off while driving. Our mechanic has advised us to replace the car instead of trying to find the problem. We haven't had a car payment in 9 years and would like to pay for a more reliable vehicle upfront. Contributions should be sent to us via the BBFI marked "Pethtel Vehicle." Thank you for your prayers, partnership and generosity.
