Update

In our last letter we mentioned that after praying for a man that could be trained up as a Pastor that Peter Farrington approached us for deeper training. We were just getting started when his wife, Albiola, unexpectedly received a visa to England that would allow her to move there permanently. Being from Albania she should never have been given this visa, and they thought living in Peter's home country would never be an option. Needless to say, they can't pass up this opportunity God has given them to be around family and greater opportunities. They have to act fast and will be moving to Liverpool this October.

So, we are once again asking you to pray with us that God will direct someone to us who desires to be trained for the work of the ministry.

Discipleship - Leadership Community

August is a month of planning with our leadership team. We meet with our ministry partners to plan out the year, set goals, and discuss the areas God has directed our focus. After much praying and planning we are excited to see what God is going to do.

Join us in prayer this year, remembering our 3 main areas of focus, which are:

- 1 Train deeper disciples
- 2 Build strong leaders
- 3 Grow in greater community

Sunday Service

Life Change

This summer Dominique Simmons, college football hopeful turned fashion designer, started coming to our church. He quickly jumped in and began serving in many areas. We invited him to our house for dinner to discuss an idea he had for our kids class. During the conversation he opened up about his past and where he would like to go. He explained how he uses his dress and purse designs to show God's glory to others by incorporating scriptures into his design, as well as his desire to put on exhibits that tell the story of God's love through fashion.

Dominique is hungry for God, but it was clear he needed deeper 1 on 1 disciple training. When I asked him this past Sunday if he would want to meet together excitement filled his face. He was eager and hungry for God's word. He explained to me that when he tries to read his Bible he is left with so many questions. We have arranged to meet at 3 p.m. every Wednesday (8 a.m. CST). I ask that you pray for us, as you wake up, that God will lead me and use me while discipling Dominique.
