Aria's Salvation!!

Aria, age 7, for the past few years has asked many questions about who Jesus is. She desperately wanted to learn more about Him and why He had to die. On Christmas day she came into the room and once again started asking questions. After talking with her she bowed her head and prayed to follow Jesus!

Prayer Requests

- ◆ God would continue working in Davide and Jos as they start leading.
- ◆ That in the upcoming year God would move within our church and community as we look to Him for guidance.
- ◆ God would use the Easter Egg Hunt to His Glory.

Great Start to a New Year

We have had a great start to our new year. It has been our prayer for more locals to start leading, whether by simply setting up a coffee maker, greeting guests, organizing events or teaching in a class. As a church, we have seen many of our smaller, often times, more time consuming tasks being handed off. This has been incredible, because it has allowed our church to start taking ownership of the church, and to start viewing it as theirs and not the missionaries'. We have watched how small leaps of faith and commitments can start to turn into a deeper love for our Lord and Savior.

But it doesn't end there! God has also brought an Italian, single man, who attended College in Dallas, to our church. He was forced to come back to Florence, and was dealing with some hurts. The past several months we have ministered to Davide and have seen God's healing. Since January, Scott has been meeting with him and another man, Jos, training them in the hope they will be able to lead one day. We have already seen Davide stepping up into leadership roles within the church, such as leading worship and in March preaching for the first time at the church!

Upcoming Easter Event

For the past 2 years we have put on a large Easter Egg Hunt for our community. Will you start praying for this event as we once again invite our community to have fun and be introduced to the Gospel.
